

### Features

- 2U, 3U, 4U, 5U, 6U, 8U high
- Rugged design with cover plates in steel
- Large size
- Frame in extruded aluminium for maximum mechanical stability
- Grooves for PC-boards
- 2,5 mm thick front panel
- Completely flat front panel for easy machining and silk screening
- Front handles included
- Rugged design, suitable for demanding and heavy duty applications
- Suitable for mobile applications within professional audio- or light systems

19 inch heavy duty enclosure for demanding applications. For rack mount or stand alone use. Detachable top and bottom cover for inspection purpose. Top and bottom plates are removable without disassembling the enclosure. Macro series enclosures are available in 6 standard heights and 3 standard depths and delivered complete and ready for assembly.
